# ABOUT THE ROLE!

We're looking for an enthusiastic and passionate volunteer to help run our weekly football project! This opportunity involves coaching, supporting and inspiring young people to develop their football skills, grow in confidence, and most importantly, have fun. You'll work closely with youth workers and other volunteers to engage young people in fun and inclusive football sessions.

## Key Responsibilities:

- Assist in delivering weekly football sessions for young people.
- Act as a positive role model, providing guidance, encouragement, and support to young people to help them develop their football skills.
- Foster a positive and inclusive environment where all young people are treated with dignity and respect.
- Work with the designated youth worker to ensure sessions are well-organised, safe, and meet the needs of all participants.
- Help to set up and pack away equipment before and after sessions.
- Attend a one-to-one meeting with a youth worker once a month.

## Skills and Experience:

- A passion for football and working with young people.
- Previous experience working with young people at risk.
- Experience in playing or coaching football.
- Strong communication and interpersonal skills.
- Ability to work well in a team and independently.
- Commitment to promoting inclusion and diversity within the football sessions.
- Reliable, punctual, and able to commit to regular sessions.

The above are desirables but we don't expect you to have them all. We ask for our volunteers to commit to at least a year of sessions, because it can take time to build relationships with young people.

## Other Information:

All volunteers must undergo an enhanced DBS check and complete an application form to volunteer with TRAIN.

# WHAT'S IN IT FOR YOU?

- Enhance your football coaching skills while making a difference to the lives of young people.
- Become a valued member of the team and meet like-minded people.
- Be a positive role model, inspiring young people to make good choices and navigate the challenges they face.
- Gain youth work experience and learn more about sport-based interventions.
- Establish rapport with young people to make an impact on their lives, shaping a brighter future.
